FRESHMEN ORIENTATION & COURSE REQUESTS VERIFICATION

We are hoping to have an in-person Freshmen Orientation where the Course Requests will be distributed at Rancho Cucamonga High School in July. A letter will be mailed to the home address you have provide during the summer. This letter will contain information notifying you of the dates and times when your student can pick up his or her course request verification. **Class schedules are available on the first day of school!** Locator lists are posted by grade level directing students to their first period teacher. Students receive their full printed schedule on their first day of school in their first period class. Please make sure to update your address with our office if you move between March and June to ensure that your student receives their packet in the mail. Also, if you are on vacation, you may authorize a proxy to pick up this verification for you.
